

Delaware North manages the on-site cafeteria which services all staff and management at the Facility. Delaware North has developed a service model to address the needs of the 10 minute morning tea break and 40 minute lunch break and has had great success in our pre-ordering system which allows staff to order lunch at 10 am for a pre-determined pick up time. This has alleviated queues and has assisted all staff in enjoying their entire lunch break.

## THE RETAIL CONCEPT

The menu offers depth and variety to meet the needs of the broad demographic – items include - :

- Sandwiches
- Daily hot & cold specials
- “cool joules” – vegetarian & lower in fat menu items
- Hamburgers
